TIERX TOKEN WHITE PAPER

SOVEREIGN ECONOMIC ENGINE OF THE NEW ERA

Issued under the Authority of Sceptre Dominion Private Trust

This document outlines the vision, tokenomics, and implementation of the TierX token "ecosystem—...

1. Executive Summary

TierX (TierX) is the upgraded sovereign token built to power a decentralized, trust-backed economic system for sovereign nations starting with Ayiti (Haiti). Backed by a 100 billion supply, TierX integrates real-world liquidity, digital identity, and financial restoration through on-chain smart contract protocols.
